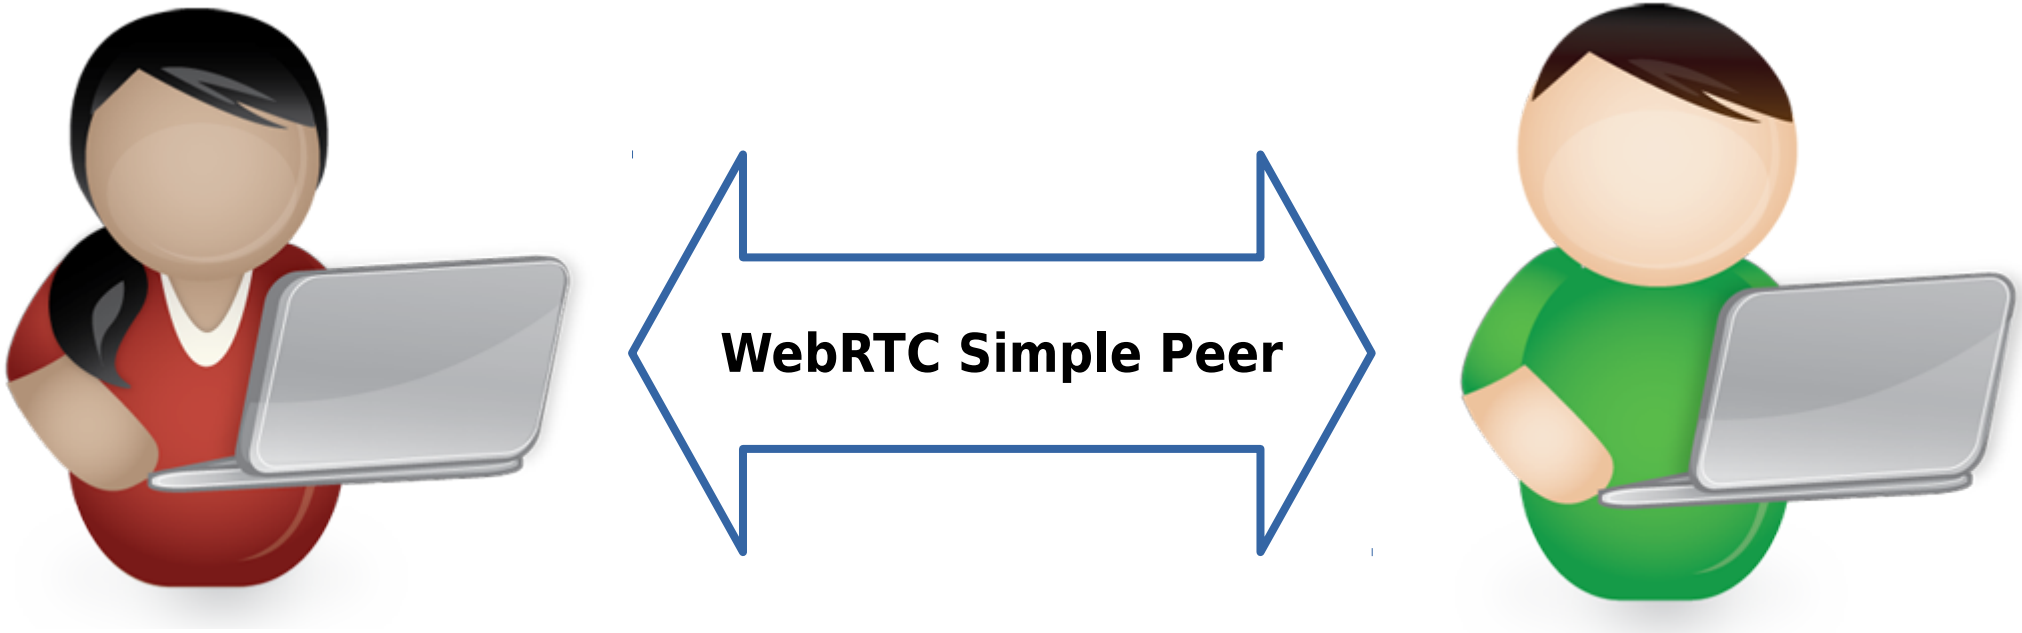
WebRTC Simple Peer
How To Guide



webrtc-simplepeer

Alice

simplepeerCreator.html

Is the creator/initiator of the link...

webrtc-simplepeer

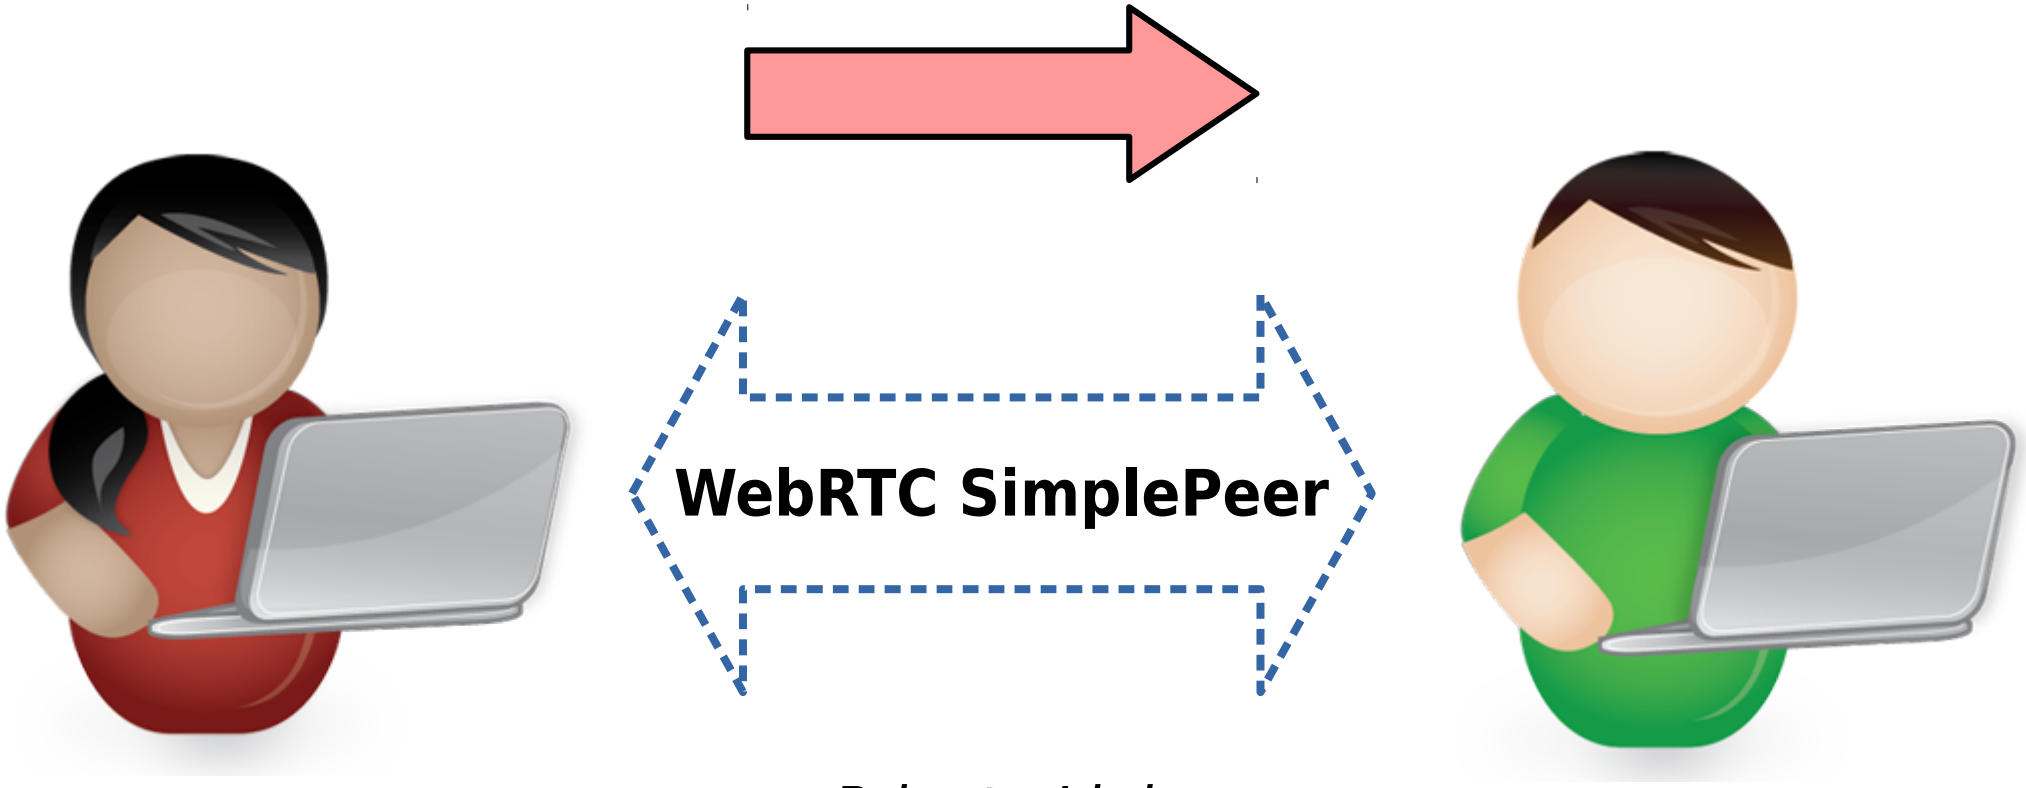
Bob

Is the
joiner/invited
to the link...

simplepeer-joiner.html

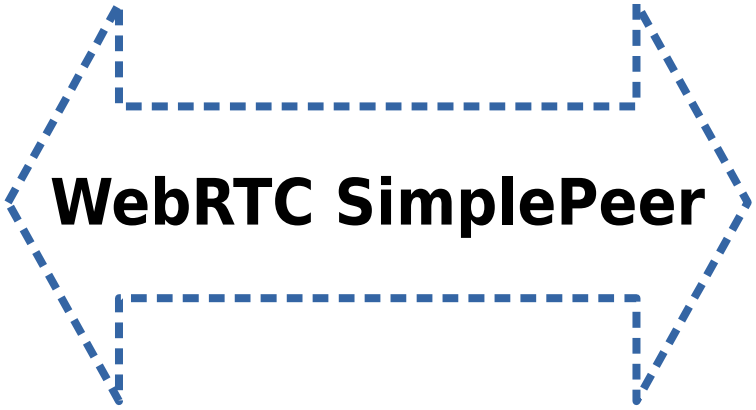
WebRTC Simple Peer Step 1 of 4

Alice create a new "room", and send the "offer" to Bob by email or IM...



WebRTC Simple Peer Step 2 of 4

Bob "join" the room
using the "offer" received
from Alice...



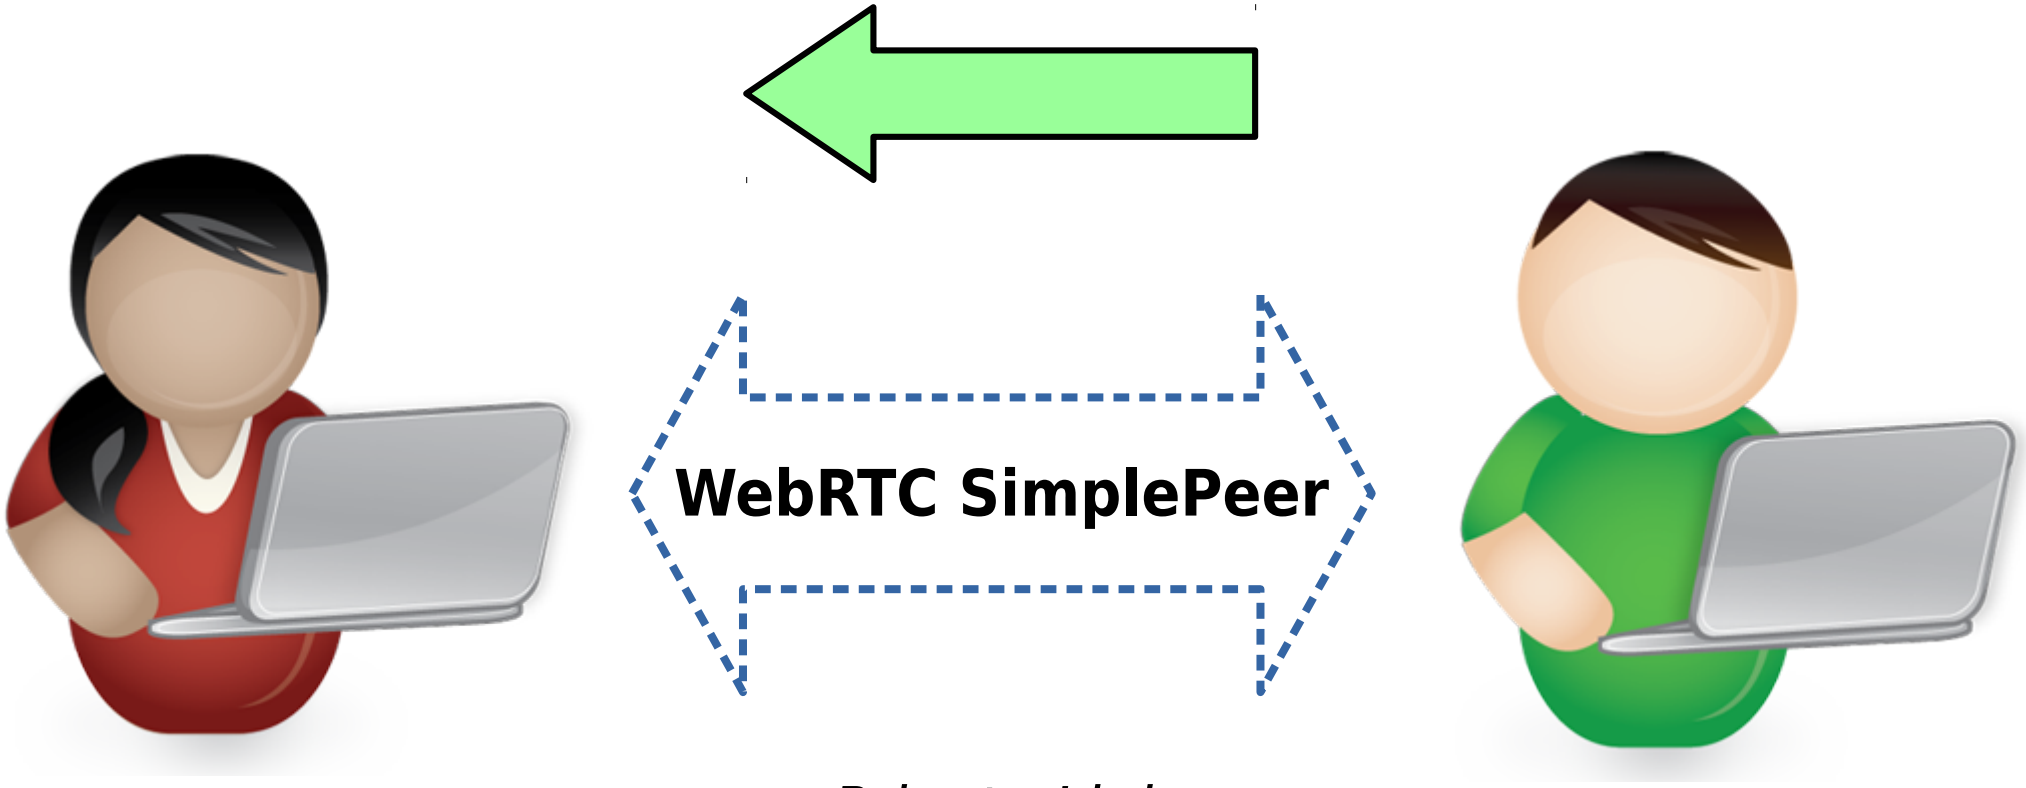
Alice

Private Link

Bob

WebRTC Simple Peer Step 3 of 4

Bob now have an "answer" text to send back to Alice (email or IM)...



WebRTC Simple Peer Step 4 of 4

Alice receive the "answer" from Bob and uses it to establish the link...
